HarperCollins Publishers Inc. Paperback. Book Condition: new. BRAND NEW, A Kiss in Time, Alex Flinn, Talia fell under a spell. Jack broke the curse. I was told to beware the accursed spindle, but it was so enchanting, so hypnotic. I was looking for a little adventure the day I ditched my tour group. But finding a comatose town, with a hot-looking chick asleep in it, was so not what I had in mind. I awakened in the same place but in another time-to a stranger's soft kiss. I couldn't help kissing her. Sometimes you just have to kiss someone. I didn't know this would happen. Now I am in dire trouble because my father, the king, says I have brought ruin upon our country. I have no choice but to run away with this commoner! Now I'm stuck with a bratty princess and a trunk full of her jewels. The good news: My parents will freak! Think you have dating issues? Try locking lips with a snoozing stunner who turns out to be 316 years old. Can a kiss transcend all-even time?.
