The course also supports the content and approach of the QCA Scheme of Work. The series offers suggestions for developing thinking skills, literacy, numeracy and ICT skills. It provides a simple, ready-to-use scheme of work that can be customized to meet the needs of your school. A range of differentiated material enables a variety of routes through the course - allowing it to cater for a wide range of abilities. The pupil's books are each divided into 12 units - four each for biology, physics and chemistry. Units do not have to be taught sequentially and each contains five topics with accompanying worksheets and assessment material. 160 pp. Englisch.
