Livingstone. Paperback. Book Condition: New. Paperback. 176 pages. Dimensions: 8.5in. x 5.6in. x 0.6in. The Bible holds objective, unwavering truth. But what's the secret to applying that truth to our lives? And how do we avoid misapplying it? How to Apply the Bible explains the process of reading, understanding, and doing Scripture. Sunday school teachers, pastors, and Bible study leaders will grab on to key principles that revolutionize the way we communicate God's truth to others, including: determining the objective message, being specific about application, then taking manageable action steps utilizing several application techniques, balancing study time versus application time, inviting the Holy Spirit to help us live God's Word. Getting the most out of the Bible becomes easier as readers enjoy the benefit of visual charts, chapter-at-a-glance summaries, and four practical appendixes. This book was originally published by Tyndale in 1993. This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN. Paperback.
