

Ypres, 1914: The German Perspective of the Early Battles of the First World War

By Otto Schwink

Leonaur Ltd, United States, 2012. Paperback. Book Condition: New. 216 x 140 mm. Language: English . Brand New Book ***** Print on Demand *****.The opening campaign of the Great War as seen by the German Army History, it is said, is written by the victors and that is generally true. It is therefore often difficult for the military historian of later times to achieve a complete understanding of the position on both sides of an engagement. Sources from the losing side tend to be in shorter supply than those on the winning side. There is now much interest in the opening campaign of the First World War, not least because the outstanding defensive performance of the hugely outnumbered Contemptible Little Army is particularly appealing to the sentiments of English speaking people and has entered the annals of great military achievements. Also all students of the period know that the war shortly became a stalemate, a war of attrition with barbed-wire, trenches, mud and blood that abided until the last phase of the war. This was the fluid stage of the war, when experienced county infantry regiments and cavalry fought in the way that colonial experiences had trained them to fight....

Reviews

I actually started looking over this publication. It really is rally interesting throgh studying period. Once you begin to read the book, it is extremely difficult to leave it before concluding.

-- Dana Hintz

Good electronic book and valuable one. It really is basic but unexpected situations in the 50 percent in the pdf. You wont really feel monotony at at any moment of your time (that's what catalogues are for concerning when you ask me).
